FOR OWNERS WHO LEAD SALES TEAMS

Know what your team did today. Without asking.

The Massive Action Tracker scores every rep's day — and puts it in everyone's inbox by 7 a.m.

WHAT YOUR TEAM GETS

Daily Action Score
Every morning, each rep gets yesterday's score, 0 to 100. A zero has nowhere to hide.

Team Standings
The whole team sees the board. You decide if revenue shows. Standings reset every morning.

Three Clocks
Selling, marketing, and execution time tracked live. Idle time never pads the numbers.

Follow-Up Engine
Every lead gets a 30-day touch plan. Due steps land in the morning email — one tap to call.

AI Content Studio
Pro social posts in your brand, made in minutes. Your shop stays visible while you sell.

End-of-Day Close
Every day ends scored and closed out. Streaks keep the chain alive.
